

Regulations of the Poster Session

1st National Scientific Conference “AI in the Study of Mind and Behaviour: Rethinking Psychotherapy”

I. General Provisions

1. The Organizer of the Poster Session is the **Student Club Psychology & Artificial Intelligence Research Lab (PAIR)**, operating at the Faculty of Psychology of the University of Warsaw, Stefana Banacha 2D, 02-097, Warsaw.
2. The Poster Session will take place during the Conference on **April 11, 2026**, at the Faculty of Psychology, University of Warsaw.
3. The goal of the session is to present original research, case studies, or theoretical reviews regarding the intersection of artificial intelligence, psychology, and psychotherapy.
4. These Regulations constitute an appendix to the Conference Terms & Conditions of the Conference. In matters not covered here, the Terms & Conditions shall apply.

II. Participation and Qualifications

1. Active participation in the Poster Session is open to students, PhD candidates, and researchers.
2. **Fee Policy:**
 - The conference is free of charge. Therefore, authors of accepted posters are not required to pay any registration or participation fees.
3. **Submission Process:**
 - Abstracts must be submitted via the designated form by March 20, 2026
 - Decisions regarding qualification will be sent by email by April 1, 2026
4. The Scientific Committee reserves the right to reject submissions that do not meet scientific standards or do not align with the conference theme.

III. Abstract and Poster Requirements

To ensure high scientific quality, submissions must adhere to the following standards:

1. **Abstract Structure:** The abstract (max 250 words) must follow the required structure:
 - **Research Papers:** Introduction, Methods (specifying AI tools/models used), Results, Conclusions.
 - **Case Studies/Reviews:** Introduction, Case Description/Theoretical Analysis, Discussion.
2. **Poster Technical Specifications:**
 - **Language:** English.
 - **Dimensions:** A0 Format (841 x 1189 mm), vertical orientation.
 - **Legibility:** The title should be visible from a distance of 2–3 meters.
3. **Content Guidelines:**
 - The poster must clearly indicate authors' affiliations and funding sources (if applicable).
 - The content must respect copyright laws and properly cite all external sources and datasets.
 - Any use of Generative AI in the preparation of the text or images must be disclosed in a "Methods" or "Transparency" note on the poster.

IV. Organization of the Session

1. Authors are responsible for printing and bringing their posters to the venue.
2. Installation of posters will take place on **April 11, 2026**, during designated coffee and lunch breaks in the assigned area at the Faculty of Psychology.
3. At least one author must be present at the poster during the designated break to answer questions from attendees and the Scientific Committee.
4. Posters must be removed immediately after the conclusion of the Conference. The Organizer is not responsible for posters left in the venue after the event.

V. Personal Data and Image

1. By submitting a poster, the participant agrees to the processing of their personal data by the Organizing Committee (PAIR) for the purposes of organizing the session, in accordance with the rules specified in §6 of the Conference Terms & Conditions.
2. The participant grants the Organizer a non-exclusive, royalty-free license to publish the digital version of the accepted abstract/poster on the Conference's social media channels and post-conference proceedings.

VI. Final Provisions

1. The Organizer reserves the right to modify the schedule of the Poster Session if necessary.
2. Any changes to these regulations will be announced on the Conference event page on Facebook.
